Alano Club of the Eastside Statement of Purpose

The Alano Club of the Eastside is a non-profit corporation established for the primary purpose of providing social opportunities and a social setting for recovering (non-drinking) alcoholics and their families. The Club is not affiliated with Alcoholics Anonymous or and related program. However, the Club and its members share a commitment to the principles of A.A. and may choose to cooperate with A.A. by extending certain invitations to A.A. members, including use of facilities for A.A. meetings and other 12 Step programs.

To Our Members

Sadly, we are mourning the loss of a long-time member of the Club, Sharon R. She was a friend to many and served as a Board Member for many years. The following memory is from her dear friend Carmen A:

Sharon was one of those special people who made you feel loved and accepted exactly as you were. She was warm, caring, kind, and loved people unconditionally. Her love and compassion touched so many lives.

Sharon was an incredible example of what a life of recovery can look like. She celebrated 47 years of sobriety, faithfully attended weekly AA meetings, and gave three years of service on the Alano Club Board of Directors. She didn't just talk about recovery; she lived it and carried the message through the way she treated others.

What we will miss most is Sharon's unconditional love. She had a beautiful way of making people feel seen, valued, and cared for. Her presence made a difference, and her absence will be deeply felt.

Sharon's legacy of love, service, and recovery will live on in all of us whose lives she touched.

Sharon's celebration of life will be held October 3rd, 2026, at the Alano Club.
